man

wtf do we even do
i've told quite a few people about this
idk how pete's gonna react tho

traitor 06/03/2023 9:18 PM

this might be a bit redundant
but given that zen openly admits to not caring about
necrophilia
and the fact that he literally brought back poopgamer

It is VERY safe to say that zen doesn't care about pedophilia
does everyone here agree that zen needs to go?

MANAGING MY ACCOUNT

Zzzz Today at 6:31 PM

As the authorized community manager, it is *your* to manage matters with care and impartiality. I understand that you may have concerns about how particular events were handled with Letrux, and I am willing to discuss the specific evidence and circumstances you find bothersome.

However, misconceptions and interpretations with no actual *evidence*(or random screenshots)...is not something acceptable.

I do not need a community gossiping shit around and then for you, to be leaving a paper trail of it throughout channels.

Hate the person or not, stop helping them drag them in the mud and handle it better than whatever this is.

It's always the same people.. (edited)

the game doesn't make money

@vic literally what does zen care about

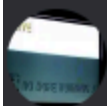

Coldwindblows 06/03/2023 9:39 PM

nothing

@vic the game doesn't make

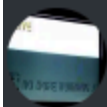

Coldwindblows 06/03/2023 9:39 PM

actually

vic 06/03/2023 9:39 PM

he doesn't have fun playing it

Coldwindblows 06/03/2023 9:39 PM

people playing it does give him money

traitor 06/03/2023 9:39 PM

im talking about the people who ARENT zen

vic 06/03/2023 9:39 PM

only premium players

Coldwindblows 06/03/2023 9:39 PM

not neccesarily

he makes money off normal players to
just signifanctly less

vic 06/03/2023 9:39 PM

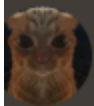

wtf

how do I bot a roblox game

and make robuck

9:39 PM

traitor 06/03/2023 9:40 PM

yo [@Coldwindblows](#) should i send that screenshot to kollow?

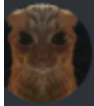

Coldwindblows 06/03/2023 9:40 PM

i already sent it to kollow

vic 06/03/2023 9:40 PM

don't send it to 334 yet

traitor 06/03/2023 9:40 PM

alright

vic 06/03/2023 9:40 PM

she would probably just tell zen

vic 06/03/2023 9:41 PM

once everyone else sees it then sure send it
most people won't care im calling it now
we really should just pack up and leave

traitor 06/03/2023 9:41 PM

vic

Coldwindblows 06/03/2023 9:41 PM

we have a chance

traitor 06/03/2023 9:41 PM

we absolutely have hope of turning over the developers

Coldwindblows 06/03/2023 9:42 PM

the devs will dickride that fool endlessly

we already have pete

Coldwindblows 06/03/2023 9:42 PM

pete can only do so much

vic 06/03/2023 9:42 PM

we might have kollow

we might not

traitor 06/03/2023 9:42 PM

i got

vic 06/03/2023 9:42 PM

we will likely not have 334 she's more likely to quit entirely
than transfer out

bc it would make sense to leave a community getting this
bad

traitor 06/03/2023 9:43 PM

i think zen is the source of the bad
if she can see that
she might transfer

[@Coldwindblows](#) did you send the screenie to mafe?

vic 06/03/2023 9:43 PM

specifically zens apathy towards anything bad

traitor 06/03/2023 9:43 PM

he's not just apathetic tho
he actively enabled shitgamer

vic 06/03/2023 9:44 PM

if it was up to him he wouldn't have been banned

btw zen threw some shade at me ingame

vic 06/03/2023 9:44 PM

it took Pete taking minority control to get rid of him

traitor 06/03/2023 9:44 PM

said ferrus "made some good decisions" and "it was a shame to see him go"
because drew was begging zen for a freerank and i said
"zen only freeranks people the entire community hates, idiot"
